

Oxygen Concentrator

For medical use — KSW Series

Ultra-Quiet Design

Nappi Code: 1103783*001

SKU# KSW-5

Oil-free
Compressor

Imported
Molecular Sieve

Multiple filter
Protection

Intelligent
Alarm System

High purity
Oxygen

Low noise
working

Products Features

- Digital flowmeter with large digital screen
- France Imported Molecular sieve bed
- Reliable and durable oil free compressor
- America PSA technology offer medical graded oxygen
- Self diagnostic system with error code indication
- 24 hour operation
- Light weight - only 18kg

Functions

- Power off alarm, High/Low pressure alarm, Temperature alarm, Error code indication, Oxygen purity alarm, nebulizer.

Specifications

Model	Oxygen Purity	Flow Range	Noise (T)	Input Voltage	Output Pressure	Power (VA)	Weight (Kgs)	Size(mm)	Carton size (mm)
KSW-5	93±3%	0-5L	40dB	220V/110V	40kPa	450	18	410X260X510	472 X 322 X 614

Accessories

Humidification bottle set

1.6M & 5M Nasal oxygen canula

Sponge filter

Optional Nebulizer mask
