**MEDIBAG®
FAMILY FIRST AID KIT**

A fun, one-of-a-kind, collectable doctor's bag designed first aid kit. The original doctor's bag first aid kit since 2004.

Great for a shower gift and first time parents and camping trips. Everyone should have one in their car.

Makes a thoughtful off-to-college gift to keep your kids armed for the basic first aid needs when away from home.

This kit has a special spot on the front to personalise with your family or child's name. Made from durable, recycled plastic so after it's all empty it can be used for all kinds of fun things.
